Great. Thanks for the update. I'm glad to hear Kate has been involved. I'll reach out to her and invite her to join us on Friday.

For the UIC part, I have been in contact with Leslie and Carrie in the last couple of months and have shared some of the responses to comments with them. Kate has been working on the administrative record. She has some background and has completed what Valois has given her. However, Valois has not had time (given all the other demands) to get all the docs to Kate yet.

Subject: DB - OGC involvement and Paralegal support

Hi Lucita – K.C. asked me this morning if there was any issues that we should be coordinating with OGC about regarding our proposed response to comments or plans on the permit and AE in general. I told him that the team has been communicating with their counterparts in OGC along the way. I wanted to get a sense from you whether we have reached out recently on any particular issues or if we need to do so again before moving forward with Greg's direction next week.

K.C. and Elyana also asked if Kate could help with the DB work. I thought we had looped her in, but I couldn't recall exactly if/how she was assisting. They thought it would be a good idea for her to listen in on the briefings to a) get a better understanding of our work; and b) identify any potential areas she might be able to help with. I was planning to reach out to Kate and invite her to the briefing for Darcy on Friday and for Greg next Wednesday, but let me know if you have any concerns before I do.

Thanks.
Brian
